

EOS/ESD Association, Inc Logo Use Statement

EOS/ESD Association, Inc. Logo

This logo is used by EOS/ESD Association, Inc and accredited Local Chapters. All other usage is prohibited.

ESDA Channel Partner Logo

This logo can be used by ESDA recognized channel partners to indicate their channel partner status. It cannot be used on a product or in any way that implies endorsement of a product, process, or service.

ESDA Membership Logo

This logo can be used by current ESDA members to indicate active individual membership. This right is in effect for the active membership period. It cannot be used on a corporate website or in any way which could imply corporate, product, process, or services endorsement.

Facility Certification Logo

Certification Body and Clients registered under a 20.20 certified system by an ESDA accredited certification body, are authorized to apply the Facility Certification logo, only on those client documents that relate to the registered system, and not on a product or in any way which could imply product, process, or services certification. This right is in effect from the date of certification, until the expiration date, and only so long as the client continues to operate in conformance to its certified system.

ESDA Certified Professional-Program Manager Logo

This logo can be used by ESDA Certified Professional Program Managers to indicate their certification status. It can not be used on a product or in any way which could imply product, process, or services certification. This right is in effect from the date of certification until expiration.

ESDA Certified Professional-Device Design Logo

This logo can be used by ESDA Certified Device Design Professionals to indicate their certification status. It can not be used on a product or in any way which could imply product, process, or services certification. This right is in effect from the date of certification until expiration.

ESDA Certified Device Stress Testing Logo

This logo can be used by ESDA Certified Device Stress Testing Professionals to indicate their certification status. It cannot be used on a product or in any way which could imply product, process, or services certification. This right is in effect from the date of certification until expiration.

ESDA Certified TR53 Technician Logo

This logo can be used by ESDA Certified TR53 Technicians to indicate their certification status. It cannot be used on a product or in any way which could imply product, process, or services certification. This right is in effect from the date of certification until expiration.

ESDA Program Associate Certification Logo

This logo can be used by ESDA Program Associate Certification Professionals to indicate their certification status. It can not be used on a product or in any way which could imply product, process, or services certification. This right is in effect from the date of certification until expiration.

EOS/ESD Association, Inc Logo Use Statement Continued
