FOREWORD.....	3
INTRODUCTION.....	5
1 Scope.....	7
2 Normative references	7
3 Terms, definitions and abbreviated terms	8
3.1 Terms and definitions.....	8
3.2 Abbreviated terms.....	9
4 Personnel safety.....	10
5 ESD control program	10
5.1 General.....	10
5.1.1 ESD control program requirements	10
5.1.2 ESD control program manager or coordinator	10
5.1.3 Tailoring	10
5.2 ESD control program administrative requirements.....	10
5.2.1 ESD control program plan.....	10
5.2.2 Training plan	11
5.2.3 Product qualification plan	11
5.2.4 Compliance verification plan	12
5.3 ESD control program plan technical requirements.....	12
5.3.1 General	12
5.3.2 Grounding/equipotential bonding systems.....	12
5.3.3 Personnel grounding.....	14
5.3.4 ESD protected areas (EPA)	15
5.3.5 Packaging.....	18
5.3.6 Marking	18
Annex A (informative) Tailoring examples	19
Bibliography.....	21
Figure 1 – Schematic of an EPA with a ground reference.....	13
Figure 2 – Schematic of an equipotential bonding system	14
Table 1 – Grounding/bonding requirements.....	14
Table 2 – Personnel grounding requirements	15
Table 3 – EPA technical requirements	17
